

Session 3	Workshop Expectations and Objectives....15 minutes
Step 1	Remind participants that when they were being invited to this training they most likely had some expectations about it.
Step 2	Ask for a volunteer to read the cards on the wall and try to cluster the similar expectations together. When the cards have been clustered, read their expectations aloud.
Step 3	Show PowerPoint Day 1 Session 3 with the objectives of the training and ask participants if their expectations and your objectives match or have much in common.
Step 4	End this session by reminding participants the importance of the training and the need to achieve their expectations and the objectives of the workshop.
Discussion/ Evaluation	None
