### ABOUT US

Tuonane Project is a community outreach program providing various services for drug abusers and other vulnerable populations to reduce the spread of HIV/AIDS. The project is a collaborative effort of UNODC, Reachout Rehab Centre, MEWA, Omari Project, and Ministry of Health.

### KUHUSU SISI

Tuonane Project ni mradi wa kuwafikia watumizi wa madawa ya kulevywa na makahaba, ili kupunguza athari za kueneza ugonjwa wa ukimwi. Mradi huu unatoa huduma ya matibabu kwa watumizi wa madawa ya kulevywa na waathiriwa wa ukimwi. Mradi huu si wa kisiasa wala wa kiserikali, mradi una shirikiana na UNODC, Reachout Centre, MEWA, Omari Project, na idara ya afya.

### GOAL

To serve vulnerable populations such as drug users and commercial sex workers in the community to reduce the spread of HIV/AIDS and dependence on drugs.

### LENGO

Kupunguza athari za kueneza maradhi sugu ya ukimwi kutokana na makahaba na utumizi mbaya wa madawa. Kuwafikia wengi walioathirika/watumiaji vibaya madawa ya kulevywa ili wazitambue athari na hatari za usambazaji na uendekazaji madawa.
